

# TEST PIECE

## OVERVIEW

A two-player card-drafting game about brass bands. During the game, players assume the roles of rival music directors who are competing to build the best band from a limited pool of local musicians.

## COMPONENTS

36 cards, 8 pawns, 2 score boards.

Score

S	F#	8	9	10	11	12
A	B					
T	C					
B	D					

## FEATURES

- Players draft cards to assemble eight different performances.
- Each performance is evaluated for its merits in four different voices.
- Only a player's worst voice overall determines their final score.
- These simple mechanics force players to make difficult choices about the tactical and strategic consequences of each card that they draft.
